Category 4
The Pro-2 Series Davits are designed to be small and lightweight, while at the same time being strong, reliable, and providing economical packages.

Pro-2 Series Davits

Tuff Built’s Pro-Series Davits are available in a wide variety of heights and reaches, with features ranging from basic position to fully rotationable and adjustable davit arms for multiple applications. The Pro-Series davits feature “Tuff-Klik” pin-less adjustment, which eliminates lost or damaged locking pins.

Pro-3 Series Davits

The Pro-3 Series Davits are designed to be small and lightweight, while at the same time being strong, reliable, and providing economical packages.

Pro-3 Series Packages

Tuff Built has specialized Pro-3 Hoist system packages, these are the best selling complete systems we recommend when looking for turnkey solutions.

Standard Pro-3

Havy Duty Pro-3

Other manufacturer brackets available. Please call us for more information.

**Pro-3 Standard Davits use “Tuff-Klik Structure Bracket #6” Pt#60141 for Device Mounting**

**Pro-3 HD Davits use “Tuff-Klik Structure Bracket #7” Pt#60142 for Device Mounting**

Specifications are subject to change without notice.
